Version 1.1

Words & Music: J N MacNeill

1. And when God was cre - at - ing the fab - ric of space, and
(2. And when) God was in - tend - ing to send us his son, to
(3. And when) God is re - pla - cing the fa - bric of space, and

5

giv - ing a start to time, did his all - see - ing gaze scan the
show us the way to be, to put flesh on his pur - pose, to
mak - ing an end of time, will his all - see - ing gaze scan the

11

ag - es to come, and pon - der how things would be, how
walk on the earth, to brave the re - sponse of men, could
years that have past, and pon - der how things have been, how

17

we would spurn the cre - at - or's ways, and cause our God to grieve?
 not the cost or the risk in this have made him change his mind?
 pride or death or our fall - ing short could not de - feat his will

24

Was the act of cre - at - ion the stamp of his love to
 Was there noth - ing God's wis - dom could think of in - stead, a -
 that the cos - mos be healed and that none should be lost, that

29

peo - ple as yet un - born? 2. And when
 void - ing the blood and pain? 3. And when
 e - vr'y-thing be made whole,

34

that e - vr'y-one be made whole?
